Dear Kathy, the **impact** team and all of your supporters,

On the occasion of **impact's** 10<sup>th</sup> anniversary event on Sunday 28<sup>th</sup> August 2016, I wish to congratulate all those who are contributing towards and supporting your organisation's important role in our community.

It will be an honour to join with you on the day and attend the celebrations. No doubt we will hear about the tremendous effort and dedication of so many that allows **impact** to make a difference in people's lives and to directly tackle the consequences of domestic violence.

Unfortunately domestic violence touches many. All of us must take action to ensure our young are not similarly affected. **impact's** work is a key part of a vital collective effort and deserves support from all Victorians.

In acknowledging your work to date, I trust that others will rise to meet the challenge of further action having heard about the difference that **impact** delivers.

In my role as a Member of Parliament, a community leader, a father and a husband I stand with all those wanting remove the scourge of family violence and disputation from our society.

Yours sincerely,

DAVID SOUTHWICK MP
